

BGE::BlendIntoAccumulator

```
graph LR; A[BGE::SteeringController::Update] --> B[BGE::BlendIntoAccumulator];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'BGE::BlendIntoAccumulator'. The box on the right is white with a black border and contains the text 'BGE::SteeringController' on the top line and '::Update' on the bottom line. A dark blue arrow points from the right side of the white box to the left side of the gray box.

BGE::SteeringController
::Update
